We're a non-profit membership organization, helping you connect with people and organizations within Canada and beyond, for better communication, exchanging ideas, learning and helping communities locally, nationally and globally.

We encourage you to please become a *member*, join one of our committees, be a *volunteer or mentor* and share your ideas to help the communities. Membership is open to individuals, organizations, corporations & governments.

Please advertise your organization, services or products to reach out to local, regional and global multicultural communities.

**Tourism Promotion** has become our special project during these uncertain times, which is hurting Canada's \$83 Billion Yearly Tourism Revenue, employing about 10 per cent of our population. Unfortunately it is also hurting us here in New Brunswick substantially.

The Multicultural Communities within NB and throughout the world have always been instrumental in increasing Tourism Revenue for New Brunswick, for employment and our economic growth. Let's work together to help each other.
