Coast to Coast and
Around the World
Since 2001

Millions of Good Samaritans volunteer at local hospitals, clinics, community centers, libraries, schools and other organizations to help the seniors, shut-ins, youth & children who need help.

Volunteers play a crucial role, and it is the best way to give-back to your community. Research shows that volunteering also keeps you happy and healthy.

Mentoring to the youth & adults is most rewarding. With your experience, knowledge, skills & know-how, you can help fulfill the skills-gap, improve their career and upward mobility.

This is a great opportunity for you, the community and the organizations. The Multicultural Council of Canada will provide you with a short, online training, to become happy, healthy and successful volunteer and/or a mentor.

We maintain a '**Resource Directory**' to help individuals & organizations. There is no fee to register your request. We can also list some of those request hereunder, subject to our review & availability of space.

- If you are an organization looking for a volunteer or a mentor – please send your request thru the '*Inquiry Form*' in this website.
- If you are an individual, please contact us with the *Inquiry Form*. MCC can help match you with the right organization to serve.
- Listing is **FREE** – unless you wish to *advertise* your organization in these pages.
