WE are a non-profit membership organization, helping you connect with people and organizations within **New Brunswick** and beyond, for better communication, exchanging ideas, learning & helping communities locally, nationally and globally thru Multicultural Council Chapters.

We encourage you to please become a *member*, join one of our committees, **be a *volunteer or mentor*, donate your time & money and share your ideas to help the communities.** Membership is open to individuals, organizations, corporations and governments.

Please *advertise* your organization, services or products in this website to reach out to local, regional and global multicultural communities.

Tourism Promotion has become our special project during these uncertain times, which is hurting Canada's \$105 Billion Yearly (2019) Tourism Revenue, employing more than 2 million people. Unfortunately it is also hurting Tourism revenues in New Brunswick significantly.

The Multicultural Communities within NB and throughout the world have always been instrumental in increasing Tourism Revenues for New Brunswick, for employment and our economic growth. Let's work together to help each other.
